

THE PARENT HUB · FEATURED EXPERT

Chrysanne Govender

Senior Financial Planner & Business Innovation Coach

Kudos Dynamic Consulting Solutions

Helping moms navigate money with clarity, confidence, and a plan that actually fits their life.

ABOUT CHRYSANNE

Chrysanne is a Senior Financial Planner, Business Innovation Coach, and certified NLP & Time Line Therapy® Practitioner. With a background in psychology and wealth management, she blends financial expertise with mindset coaching to help individuals navigate life transitions with clarity and confidence. Her work spans financial wellness education, retirement readiness, and personal growth coaching, empowering clients to reshape thought patterns, build resilience, and create lasting legacies.

WHO SHE'S HERE FOR

- 01

Budgeting on one income

Moms adjusting their household finances around a single income, whether by choice or circumstance.
- 02

Finances after baby

New moms figuring out what their money picture looks like now that life — and costs — have changed.
- 03

Financial basics, from scratch

Moms who were never taught the fundamentals and want a trusted, non-judgmental place to start.
- 04

Money stress & mindset

Moms carrying quiet money anxiety who need both the practical plan and the mindset support to follow through.

Draft based on Christie's outreach notes on the Financial Literacy focus for this feature. Christie/Chrysanne to review and refine before this goes live.
